

Our Company History...

We have been in business since 1982 and have expanded our business to serve Atlantic Canada. We provide quality commercial and industrial cleaning services that include carpet cleaning and window cleaning.

Our Company Policy...

Our policy has been, and will continue to be, to hire only skilled and reliable people to perform these services. Because we are selective, we have a low turnover of staff. Some staff members have been with us since we first began.

Our Protection...

To protect our customer, High Gloss Maintenance has a \$5,000,000 comprehensive insurance policy and a \$100,000 fidelity bond. In regards to security, all potential staff are scrutinized for honesty. In many cases it is a requirement for the

person we hire to provide us with a Security Clearance from their local Police.

Our Commitment to Standards & Quality...

High Gloss Maintenance is committed to providing Quality Professional Service. Small jobs or large jobs, we are fully equipped to service your needs. We work closely with our clients to ensure their satisfaction.

High Gloss Maintenance has kept up to date with the latest in janitorial cleaning equipment. For this reason, we are able to provide our customers with the best in janitorial equipment.

We provide a **WHIMIS/MSDS** package and labels for unmarked containers which are supplied to all our janitorial rooms; as well as, where applicable, a **Canadian Red Cross First Aid Kit**.
